INSPIRED BY THE PAST, BUILDING FOR THE FUTURE!

Greetings everyone! "To whom much is given, much is required!" (Luke 12:48). This is the spirit that has carried the community of Holy Name for over one hundred years. The past eighteen months has proven that we are resilient and we will persevere. Today, the field house project is gaining traction with positive responses from foundations and great support from you. As we move into summer our focus is on the plan for implementation in the next twelve months.

This campaign has the capacity to provide enhanced access to safe spaces for so many children. It will also provide much needed space to community groups in the area as well as the parish. We steward your gifts to present you with what you would expect – excellence! Please watch for more news on this later this summer. Join us in this exciting adventure! Sending our prayers to you and yours.

Peace, Colleen

Hello from Fr. Carl Zoucha, pastor at Holy Name Parish. I pray that all is well with you and your loved ones. I can easily sense the pride exuding from all of you for Holy Name parish and school. I hear that same pride from those who attended Holy Name recently or perhaps from years ago. While the make up of the student body is different than a generation or two ago, the same mission to educate minds and to form virtuous character of the youth and children is still the priority. What I am excited about when I envision the Restore The Glory project to

renovate the Field House and build a connecting structure to the school is the benefits that extend beyond the students of the school and parish; this project is a blessing for our community of North Omaha. May the Restore The Glory project be a shining example of our commitment to help one another with the resources that God has blessed upon us. I have met so many wonderful people who support the parish, the school and the RTG project. I look forward to the opportunity to meet many more of you. Thank you for support and prayers. Please know of my prayers for you and all of your loved ones. In His Holy Name, Fr. Carl J. Zoucha Pastor, Holy Name Catholic Church, Omaha (402-451-6622)

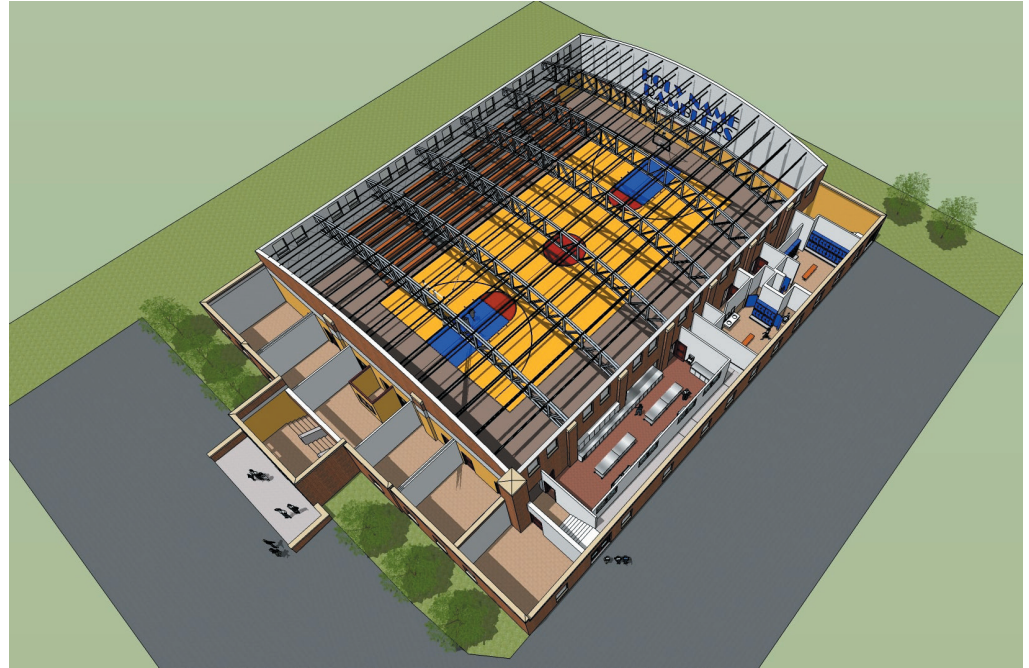

Thank You! It was a sad day for so many when the decision was made to not hold the physical Fish Fry in 2021. We want to send out a big thank you to all who participated in the 2021 online Holy Name Men's Club Fish Fry! This was the 40th anniversary year of the grand daddy of Fish Fry's, and you definitely supported the virtual event with your stories, donations and purchases of memorabilia. As we move toward post-pandemic activities, we want to assure that the **2022 Holy Name Fish Fry will return on Friday, February 25th, 2022.** We look forward to seeing so many of you then!

The Restore The Glory Campaign to renovate and add additional space to the Holy Name Campus is about new buildings and safe spaces. Since 1950, students and children from the surrounding community have experienced healthy competitive opportunities that teach confidence and resilience. Today, for the children of this area of Omaha the need is great. The Holy Name community has become diverse naturally along with the surrounding neighborhood. We have expanded community services, not only for Holy Name, but the surrounding community as well.

You are the reason that this campaign started! You are part of the fabric of one hundred years of Holy Name history. We are grateful for your support and ask that you continue to spread the word about this great project. The 2020-2021 school year is drawing to a close. As difficult as it was the children and the faculty stood tall and persevered. Our work is important to their success in the future.

Share in the joy of our diversity! Our work continues as we strive to serve those most marginalized by the upheaval this Pandemic has caused for so many families. We are serving those who need us most!

Hope at Holy Name School!

Holy Name School began a partnership with the Hope Center for Kids in 2018.

This partnership is focused on the necessary structure and support these students needs during out of school time hours. The most important aspect of this campaign comes after the renovations and additional spaces are complete. The second phase will implement and expand programming to as many as 250 youth in North Omaha.

Anticipated Outcome | Impact to the Community

**With the renovation and new construction the Restore
the Glory Campaign will:**

- Provide a **safe environment** for all users of the facilities.
- Greatly expand the **sports opportunities** for the
community at-large.
- Allow the community at-large to have access to the
multi-use spaces.
- Serve quality Out-of-School Time learning opportunities
to **250 Students daily**.
- Facilitate the Out-of-School Time program
implementing the use of **The Technology and Media
Enhanced Experiences (TAMEE)** program. TAMEE can
be implemented as either a virtual or in person Out-of-
School Time program.
