PARISH NEWS

Fr. Frank

Holy Name is reaching out to more people every day! In the last issue of the Rambler I gave you some background information concerning the closing of St. Richard Parish and School. Since then we have moved several steps forward. The rectory is now being rented out to help pay the bills for the facilities which have been turned over to Holy Name by the Archdiocese. The St. Vincent de Paul Society has moved their Omaha headquarters into the office area and the Notre

Dame Sisters are moving some of the members of their order into the second floor living quarters while their convent is being remodeled. As of today I am still in discussions with a few other groups interested in using the school building. There are several good options that are looking positive for the future. In the meantime the Cafeteria/Social Hall is being used almost every week by the Sudanese community, which helps them out and provides some extra income. The seminarians that worked at Holy Name this summer helped out at the St. Richard facilities by starting the process of converting the Church into the new social hall. All in all the work is progressing very nicely.

Our main campus renovations are also moving along very nicely. We have been working so hard for the last five years to update these aging facilities and so much has been completed. The school has some new restrooms, new wiring, a new fire alarm and security system, a new heat delivery system, and many remodeled classrooms. The church has an elevator, a new tile floor in the cafeteria and now the church and

cafeteria have new air-conditioning. Plus we have the refinished parking lot with new and safer handicapped parking on the south side of the church. Thanks to the Men's Club the cafeteria should have a new ceiling put in over Christmas vacation. It is amazing how much work has been done. Some of it by volunteers, some by our maintenance staff with the help of seminarians and some by contractors, but all of it happened because of you, our generous donors. I am overwhelmed by the great response from so many of you in regard to the extension year of the current Capital Campaign. You truly are the heart of Holy Name! Thank you! We will continue to steward your gifts in the best ways possible so that new goals can be reached.

Through prayer and because of the blessings that come from God, we have been able to do so many good things for this neighborhood. The mission of Holy Name is so important to North Omaha. We must continue to pray for miracles. There have been so many miracles at Holy Name it gives me confidence that we will experience even greater miracles in the future.

PARISH NEWS

St. Gerard Chapel

I first became familiar with St. Gerard when my aunt, Alice McGowan, gave his relic to me during my first pregnancy. Not only is St. Gerard a Redemptorist saint; he is the patron saint of expectant mothers earning the nickname the "Saint of Happy Deliveries."

Debbie Raven and Anita Wiechman teamed up to recreate the existing chapel in Holy Name Church providing a holy space designed specifically for pregnant mothers to pray. Being one of the small army of volunteers they recruited for this job, I met with them one day at the current St. Gerard chapel. I was touched to find that the space being renovated was the original room for the baptismal font when the church was built. When I mentioned this bit of information they were thrilled and we all marveled at how perfectly appropriate it is to make the former baptismal room a place for mothers to pray for their unborn child.

I must add that we have all commented on what an amazing project this has been! Almost all aspects of it came together graciously. Someone knew someone - who knew someone - and practically anyone asked to give of their money or talent jumped at the opportunity to be involved. As Anita said, "You can't help but feel blessed by being a part of it". The ease of finding volunteers renews our faith and is also a tribute to the depth and breadth of the faith of the parishioners and past parishioners of Holy Name. The impact that Holy Name, the Redemptorists and the Servites had on all of us never leaves us and continues to grace our lives.

St. Gerard's Chapel was dedicated on Friday evening, October 16th. It was a joyous event with the celebration of Mass, a blessing and a gathering in the cafeteria to relish the momentous occasion. Please come to Holy Name's newly blessed St. Gerard Chapel to pray and celebrate this holy space! Mary Lynn Edney Schwietz H65

Our new Parish Secretary!

My name is Jackie Mlady, I was born and raised in Nemaha and Richardson Counties but moved here many years ago, so of course Omaha is home.

I worked at Saint Richard parish, beginning as morning secretary in the rectory and in the school in the afternoon. I had the best of both worlds! After a full time secretary was hired at school I moved into the rectory full time and although this was to be a part time job I was there for eighteen years until they closed in June. One of the other special things I was able to do at St. Richard was use my earlier training as a Pastoral Minister and work with the incredible Senior group who became like my extended family.

As we were twinned with Holy Name it made it easy to come here to work as I had met so many of the wonderful staff and volunteers at the time Father Baumert was the Pastor at Saint Richard. The transition was made even easier by the genuine welcoming I have received from the parishioners.

My true claim to fame is my incredible family...John and I have a combined family of 11 children, nine who are living, and our beautiful grandchildren and great-grandchildren totaling 31 (and two more on the way!)

My sincere thanks to Father Frank and the parish staff who have made my transition so easy. I am blessed to be here and hope I can turn this into an eighteen year job also!

ALUMNI NEWS

The Heart of our Mission Requires Volunteerism

At Holy Name the word service is ingrained in each person that becomes a part of our community. People who join us always say that they felt so welcome right away and were asked immediately where they would like to provide service to the community. Our parish is especially rich in the art of volunteerism. Today the volunteerism in our parish has grown and once again includes many things that were accomplished by volunteers in the 1940's, 1950's and 1960's, things like cleaning the church, the music ministry for Masses, lay servers for funerals, funeral lunches, our Senior group social activities and much more. Into the 1970's a few of these activities became a part of the budget and were paid for rather than being accomplished by volunteers. With the change of leadership a few years ago and once again becoming an Archdiocesan parish Holy Name stepped up to the plate and is accomplishing all of these things and more through volunteers. The parish is thriving and growing!

For Holy Name School much of the volunteerism centers around the events and work completed by the staff of the Alumni and Development office. Through the years our work to bring you, the alumni, back to the campus and keep you in touch with classmates has been fruitful and has held together that sense of tradition and camaraderie we have known all of our lives. As we have moved into the twenty first century and our high school graduates age it has become increasingly more difficult to solicit enough volunteers for our development and alumni activities. We need you! The strength of this community lies in the people that built it over the past 90 years and the need for you has not changed. There is always work to be done! From sending out information to our alumni via snail mail or the internet, to updating addresses, phone numbers and email addresses, to more hands on activities like setting up for the golf tournament, the Hall of Fame evening or our annual Harvest event – we need you! Another important reason supporting the need for you to volunteer is our current student body at Holy Name Elementary School. All of the children, but in particular in this regard, our junior high students need to see and understand how beneficial and joyous the act of providing service through volunteerism can be for their lives and dreams. To hear from you, stories about you growing up in this community, stories about your experiences while you were in school and most importantly seeing you here as a volunteer provides a lesson that cannot be learned from a book, it is passed on from human to human and has an impact that is incomparable to anything else they will learn.

We need you as much today as ever! If you would like to volunteer in any way please let us know. If you see an email from the office asking for help for an event please consider joining us. We always have a great time while we are “working” and the outcome is always the best as we once again relish how we learned that service is part of the path we take to become more like Jesus and there can be no greater reward than pleasing Our Lord!

**We Remember...
We Celebrate...
We Believe...**

These are the words we have chosen as our 2009-2010 school theme. Let me expand on them a little.....

We Remember.... those who walked these halls before us. We remember the teachers, coaches, students, priests, and sisters who played such an important role in our history. These are the people

who laid the foundation for us to continue the mission of education today. We remember that in this school the words of Jesus and His ultimate sacrifice for us are the guides for our daily work.

*We Celebrate...*our community of dedicated individuals who are the teachers of our students. We celebrate with those who continue to support us with their time, talents, and treasures. And we celebrate our diversity which challenges us to expand our thinking and share our resources.

*We Believe....*that we are on a journey of faith guided by the Holy Spirit. We believe that every child deserves an opportunity for an education surrounded by people of faith. And we believe that together we will make a significant difference in the lives of the children and families we serve.

I *believe* your prayers are the gifts that cause us to remember and allow us to celebrate. Thank you and God bless each of you.

Not all of the 5th-7th grade students at Holy Name started summer vacation after Memorial Day!!! Some of our young thespians chose to spend the first two weeks of summer vacation performing "Revenge of the Space Pandas." The 6 act play was performed for a packed audience of family, community and church members on June 4th. Under the direction and guidance of Mr. Brian-Mark Conover, Mr. Luke Ostrander and Mrs. Karen Smolinski, the students spent their days learning acting techniques, designing their T-Shirts, taking photos, making videos, touring the Rose Theater and even baking cookies for a reception following the performance! In a short 2 week period, the students not only designed their own costumes and sets, but were able to learn all their lines too. Funding for the project came from private donations and the City of Omaha Weed and Seed grant program. Breakfast and lunch were provided free of charge for the actors in the Holy Name cafeteria as part of a Federal program. What a great way to start their summer and an experience the students will remember for years to come.

Holy Name
Capital Campaign 2006-2009

Extension Year

Stories Shared, Lives Blessed, Future Embraced

Your support and faith in our mission is immeasurable! Your response to our Capital Campaign 2006 Extension Year has been overwhelming! You truly make the difference at Holy Name! In just this short period of time since the information landed in your mail box there has been over \$38,000 in gifts toward the extension year of this campaign. Our journey continues and the work goals for this one year extension will focus on completing the project on the south side of the church and renovating the east side of the Rectory. Another need is to continue the work of providing new lighting, dropped ceilings and fresh paint for many more of the classrooms. On a campus of this size and of this age you can imagine that there is an ongoing list of work that needs to be done.

There has been so much accomplished since June of 2006. All of the goals plus additional renovations were completed with the exception of the windows on the east and north sides of the school building. This goal will remain on the list for future planning. The following is a list of the completed work since the inception of this phase of the campaign in June of 2006.

Your donations totaling more than \$406,000 have made an indelible impression on the campus. Many of you have made one time gifts and three year pledges that are now complete. If you would like to renew your gift or make a new pledge please use the pledge card below.

Completed work:

- ✓ Main entrance school: replaced front steps, stone architecture and installed railings
- ✓ Updated and installed new electrical wiring throughout the school building
- ✓ Installed new fire alarm system in the school building & field house
- ✓ Installed window air conditioners in each classroom
- ✓ Installed keyless entry system for all entrances to the school and field house
- ✓ School building and Field House: Capped off underground boiler steam pipes and ran new pipes above ground
- ✓ Replaced heating equipment in field house
- ✓ Moved main entrance of the Rectory from the east side to the southwest end adding a ramp for accessibility
- ✓ Five classrooms renovated: Installed dropped ceilings, lights, fresh paint and new carpet
- ✓ Rerouted the water drainage off of the church, school and field house buildings
- ✓ New asphalt and striping for the entire parking area of the campus
- ✓ Install diagonal parking with handicap accessibility on the south side of church

In Progress/Pending

- Renovate east side of Rectory (In Progress)
- Classrooms: Painting and installing new dropped ceilings, lighting and carpet (In Progress)
- Replace or close off remaining old windows in the school building (Pending)
- Field House renovation (Pending)
- School Building: Tuck pointing (Pending)

Your support is crucial to the continued success of the work of renewing the campus buildings. It is critical to meet this need so that the needs of the families and children can also be met.

Make checks payable to Holy Name. Thank you for your generosity. Gifts are tax deductible to the extent provided by law. Holy Name is a designated 501 (c)(3).
