PARISH NEWS

From the Pastor

I hope your summer is going great. I am happy to tell you that Holy Name School continues to serve the children and families of North Omaha. Because of your continued generosity and the generosity of the larger Omaha community the work at Holy Name continues. We strive to use each dollar and each volunteer hour to do the work

of the Lord. It is the least we can do in return for all He has done for us. We are diligently working to put the finishing touches on a plan to support our needs for the coming years.

Another bit of good news about the St. Richard facilities. Holy Name Housing will be taking over the property! This is exciting news. We have been working so hard to find the right use for this property. HNH will be working over the next year to put together a plan that will be the best fit for the neighborhood. For the last year we have been finding homes for the things that were left after the closing. I hope many of you will be able to visit the church of St. Charles Borromeo near Gretna. They did a great job of incorporating the pews, tabernacle, Stations of the Cross and stained-glass windows from the St. Richard Church. Other things went to Assumption Parish, St. Anne Church in Dixon, NE and even as far as St. Ignatius Parish in Brunswick, NE. School supplies and equipment have gone to Blessed Sacrament, Sacred Heart and Holy Name. Tuition assistance funds have been given to these schools and Roncalli High School. A great deal of work has gone into spreading the blessings of St. Richard Parish and School to other area parishes and schools.

It was great to see so many of you at the All School

Reunion weekend at the beginning of June. We are so blessed by so many alumni and friends who continue to return to our campus to see our work in progress and spend time reminiscing with classmates about the days of yore. Don't be a stranger, we welcome you home at any time throughout the year!

God bless you and thank you for helping to keep this good work going.

Alumni Reunion Weekend 2010

Mary Kay & Rolland H45 Sutton

It was a beautiful weekend in Omaha as many of our High School alumni met to converse and reminisce at Clancy's on Saturday, June 12th. It is always a pleasure for the development staff to see, meet and talk with many of our generous supporters. A few of the milestone reunions were held that weekend and more are coming up later this summer.

Marie Becker H30 O'Donnell
with daughter Margie
O'Donnell H56 O'Hanlon

On Sunday, June 13th we gathered as a community to celebrate the All School Reunion Mass. The Class of 1985 stepped up and took part in the Mass as readers and the Kozol clan (Dave, Katie, Carolyn and Theresa Jo), parishioners and graduates of Holy Name brought up the gifts. A reception was held in the cafeteria and the school building and archive room were open to tour. We were

once again graced with the presence of our oldest living alumna, Marie Becker H30 O'Donnell.

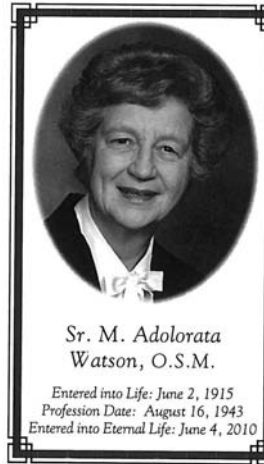

Thanks so much for your continued support of the mission of Holy Name and we look forward to seeing many of you next year!

A Tribute to Sr. M. Adolorata Watson, OSM

June 2, 1915 - June 4, 2010

Sister served us so generously for many years at Holy Name. Here is an excerpt from her eulogy, As we bury Sister, she joins these women of God, as one who in her lifetime was a woman of promise and hope and who lived and shared the Good News. She touched so many lives through her teaching and writing.

Margaret Christine Watson was born on June 2, 1915. She was the fourth of six children born to Frederick G. Watson and Evangeline Shapter

Watson in Madison, NJ. In her writings, Sister speaks very lovingly of her family, and that love was marred only by their deaths, some at a relatively young age. Margaret attended elementary and high school in Madison, and then went on to the College of St. Elizabeth. After college and in the aftermath of the Great Depression, Margaret found employment in a number of businesses from Standard Statistics Company in New York to operating the key punch machine for computer cards. She finally landed a wonderful position as secretary to the Headmaster of a boys' Prep School in Lakewood, NJ. As much as she liked this work Margaret felt God was calling her to something else. In response to this call, Margaret entered the Servants of Mary in August of 1941 and was eventually given the name Sr. Mary Adolorata.

Sister began teaching in 1943 at Holy Name in Omaha, NE. Through 1975 she taught in Colorado, Iowa, Michigan and again at Holy Name. Her career also included being assigned as principal at both Holy Name and Marian High School.

Please enjoy this poem written by Sister one New Year's Day as she sat looking out the window at our cemetery, in part it reads:

"In the distance I see the cemetery where lie
mortal remains of our Sisters,
Servants of Mary...
...Some I had known in life,
others lived before my time,
all came toward me,
incredibly free...
young, full of hope, of promise,
God's women all
who lived and shared the Good News
to a world willing to hear."

UNO ATHLETICS HALL OF FAME INCLUDES HOLY NAMERS!

Anyone attending an athletic event at the University of Nebraska-Omaha will notice the rows and rows of pictures of UNO athletes and coaches that grace the upper areas of the rotunda forming the entrance to the university's field house. Included in the Hall are figures such as "Rocket Roger Sayers," brother of all-time NFL great, Gale Sayers, and one of the few sprinters to ever beat Bob Hayes, the Olympian and world's fastest human in his era, and "Marlin the Magician Briscoe," the NFL all-pro wide receiver and first black athlete to ever start as quarterback in NFL history. Among these athletes recognized for their achievements and contributions to UNO sports are two individuals with direct ties to Holy Name School: Bob Gates H44 and Ruth Evans H85 O'Callaghan. A third UNO Hall member, Cindy Rudloff Lebeda, also has ties to Holy Name as the daughter of HN great Howard Rudloff H50. Cindy is married to former Holy Name teacher and coach, Jim Lebeda.

Bob Gates was inducted into the UNO Hall in 2003 for his contributions to the Mavericks baseball team. He directed the Maverick program from 1976 to 1999 as head coach and won 476 games, including two conference and regional championships. Coach Gates also was inducted into the Nebraska High School Hall of Fame for his coaching success at Holy Name, which included six state championships in football, basketball, and baseball. At Holy Name, Bob was an All-State basketball player and led his team to the state tournament in his senior year. (Interestingly, en route to the district championship, HN had to defeat a ranked Schuyler team, whose star player was none other than long-time rival Cathedral coach, Roger Higgins!)

Bob attended the University of Nebraska in Lincoln, but his career was interrupted by the war and he finished college in 1950. He lettered on the Cornhusker basketball team of 1949-50, which tied for the Big Seven championship. Returning to HN as an assistant coach, Bob was part of the staff during the Holy Name 39-game undefeated football streak that set a state record. With the untimely death of legendary HN Coach "Box" Engelbretson in 1954, Bob took over the HN reigns in all three major sports. His first football and basketball teams in 1955 were undefeated. Championships were added in basketball in 1957 and 1958 and in baseball (all-class) in 1952 and 1953. Bob left HN in 1961 to pursue a college coaching career at UNL as an assistant in basketball and baseball. In 1966,

Bob took over the coaching and athletic director duties at fledgling Pershing College in Beatrice, where he directed both the basketball and the baseball programs. When the college closed, Bob returned to UNL and eventually migrated to UNO, where he assisted, then inherited, the UNO baseball program where he remained for 23 years until his retirement. (He was followed by Bob Herold, a member of the combined 1960s Holy Name/Cathedral summer Legion teams).

These days Bob can be found playing golf on the UNO faculty and staff league at Elmwood Park and at DJs Dugout Sports Bar on 114th St every Wednesday at 11:00 a.m., where a number of alumni, former Rambler athletes, and friends of Holy Name congregate!

Ruth Evans H85 was inducted into the UNO Athletic Hall of Fame in 1997 for her accomplishments as a three-time NCAA All-American on the volleyball court. She had "honorable mention" status for All-State in basketball, but blossomed into a dominating volleyball outside hitter in college. Ruth played for the Mavericks volleyball program from 1985 through 1989, during which time she led the Mavs to a 144-30 record. Her UNO teams won three North Central Conference championships and finished third in NCAA Division II three consecutive times. Ruth was the 1988 UNO Female Athlete of the Year and was also on the NCC conference's all-academic team. Her most memorable match was a four-hour marathon victory over the powerful University of Nebraska volleyball team, which later that year won the NCAA National Championship with a nearly unblemished record with a single loss—to the UNO Mavericks.

Ruth majored in Recreation Therapy at UNO and worked for Immanuel Hospital prior to starting her own child care business. These days she can be found with her husband, Charlie O'Callaghan H81, a State Trooper in their home near Blair. Ruth's daughter, Sara, is a 6'2" junior hitter for Millard North and has accepted a scholarship offer to play for Nebraska after being recruited by several Division I volleyball programs. Unlike her mother, Sara's talent is being recognized in high school, as she was recently named to the Class A All-State team.

SCHOOL NEWS

From the Principal

Angela Koch

Mixed emotions filled the last days of the 2009-2010 school year at Holy Name. Relief, joy, excitement and still a little fear all showed on the faces of staff, faculty, and our families. We are all so grateful for the outpouring of support received from our Omaha community. Letters acknowledging our value and heralding the many successes of our students...past and present bolstered our spirits and gave hope in the midst of uncertainty.

While the biggest storm has past for now we still have much to think about and adaptations to be made. But, one thing I can assure you; the faculty and staff of this school will return in the fall ready to continue to provide an excellent education to our students as we have for over ninety years.

We have much to celebrate...One hundred percent of our twenty-one 2006 eighth grade class graduated from high school in May! One was the valedictorian of her class, many earned college scholarships and high scores on ACT and SAT tests. Their high schools certainly deserve some credit for these accomplishments but these students received the basic foundations of their education right here at Holy Name. We share in the pride of their accomplishments and wish them many more success stories as they enter the next phases of their education.

The 2010 eighth grade graduates earned academic and/or leadership scholarships to Roncalli, Prep, Mercy and Marian. Seventeen of these twenty-one graduates are planning to attend a Catholic High School! The traditions of excellence continue at Holy Name.

I ask that you keep our school children in your prayers this summer. We want everyone to return safely to begin a new school year in August.

May God send his blessings upon all of you.....

Janet Lenihan Sauter began teaching at Holy Name Elementary school in the fall of 1974. Her first years were spent in the 5th and 6th grade classrooms. Later Janet moved to teaching 3rd grade and remains in that position today.

In her own words as a young teacher Janet set high goals for herself.....

My hope and goal is that everyone of my students will receive not only

a quality education, but also a sense of belonging that will give them the self respect and self esteem needed to become a productive member of society today... as a Catholic School educator I strive to instill the importance of faith and a relationship with Jesus in each of my students."

After 35 years, Janet remains a master teacher who brings the love and desire for learning into her classroom everyday. An obvious mutual respect and rapport between teacher and student is fostered through her constant care and concern for each child's ability to learn. Janet challenges her students to reach their highest potential and constantly motivates with prompts, encouragement and support to see that this potential is reached. **Students say "Mrs. Sauter is hard!" Janet gratefully accepts this compliment!**

Janet has been a constant at Holy Name through many transitions of programming and administrators. Yet, there is a constant theme that is expressed:

- "Your classroom is inviting, cheerful, and speaks of the importance of learning."
- "Janet encourages and supports children in their efforts to learn because she cares that they learn."
- "She fosters a secure environment that allows for interaction, questioning and successful learning

experiences."

- "She has survived the demographic changes manifested vividly in her classroom because for Janet, her job has one important focus....to teach children."

Forming partnerships with the parents of her students is important to Janet and parents recognize the extra effort she makes for each of her students.

- "Mrs. Sauter was always willing to work with us to make school an effective learning environment for our sons. She would go out of her way to individualize lessons so that the boys could achieve along with their classmates."
- "We consider ourselves blessed that our children had Mrs. Sauter as their third grade teacher."

A former student writes: "She was my 5th grade teacher, and to this day, when I see her around the school or parish I am appreciative of her positive influence on me at that young age. I feel she has a gift of discerning the latent potential in her students and the focus to look past existing deficiencies and assist the student to blossom into what God intended.

During her tenure at Holy Name Janet has been recognized by CH.A.D.D. (Children and Adults with Attention Deficit Disorders) for her dedication to helping children adjust to classroom expectations and be successful. In 2000 she earned recognition as the "Metro Archdiocese Elementary Teacher of the Year" by the Archdiocese of Omaha School Board. In 2006 she was recognized as a "Distinguished Graduate" from St. Pius/St. Leo School Elementary School

Holy Name School has been blessed with many strong and excellent educators; Janet Sauter is one of them. She is to be thanked and congratulated for her 35 years of service to this school and parish community.

Holy Name Holds All Day Health Fair

*Creighton University Nursing students
Amber Sholes & Jessica Lammers.*

Holy Name Catholic Elementary School held an all-day health fair for students, families, and the Holy Name community. During the morning, students traveled to the different booths learning about seat belt safety, healthy eating, exercise (including yoga), safety in all areas of their life and some techniques for stress management. Students from Roncalli High School, Creighton University School of Nursing, and Creighton University School of Pharmacy and Health Professions guided Holy Name student groups through the booths. The Creighton University nursing students greeted visitors and facilitated a health education booth using the non-profit National Safety Council-Greater Omaha Chapter's interactive game, the "Safety Wheel."

In the afternoon, Holy Name students listened to presentations from the Omaha Police Department. McGruff talked with younger students and the older students learned about Internet safety. After school, families and community members were invited to visit the booths and share a healthy dinner. The evening booths included dental health, hand massages and information on free health services. More than 100 visitors came from 15 different zip codes. The day was funded with grants from the James C. Semerad Foundation and Blue Cross/Blue Shield.

Terry Hughes G59 Celebrates Arbor Day With Holy Name School

On Friday April 30th Mr. Terry Hughes G59 brought a special gift to Holy Name to celebrate Arbor Day. A beautiful white bud tree was planted in the front lawn of the church. A few years ago one of the largest and oldest trees in this same

location had to be removed. The students enhanced the dedication by reciting poems about being good stewards of our earth and said a special prayer. Mr. Hughes has a big heart for Holy Name and an even bigger heart for our students! After the planting, blessing and dedication Terry brought Arbor Day cake for the entire student body! Thanks Mr. Hughes!

Spring Showcase

Holy Name School held its annual Spring Showcase on April 27. The theme for the evening was "Unity and Equality—an Inspirational Review." Participating in the showcase were 5th through 8th grade students with special numbers by the Holy Name Mass Choir, Holy Name Show Choir, and Miss Talia Horne (8th grade). Mrs. Judi Torneten, music instructor, coordinated the show and did a wonderful job choosing pieces that mirrored the theme of unity and equality. Thanks to two generous grants from the Zucker Fund, through the Nebraska Arts Council, and Target, Inc., the students had the opportunity to work with accomplished choreographers. Assisting the 8th grade was Sondra Clifton McSwain, a graduate of San Francisco State University. She has studied and taught dance for more than thirty years in the United States, Nigeria, New

Zealand, Jamaica, and Switzerland. Assisting the 7th grade was Brad Watkins, a graduate of the

University of Illinois-Champaign-Urbana. He has worked at the Lyric Opera of Chicago, Cincinnati Opera, Opera Columbus, and Pittsburgh Opera. The evening provided the audience with spectacular performances of song and dance and highlighted the pride of every student in their artistic accomplishments.

May Crowning at Holy Name The Tradition Continues...

May is Mary's month and for over seventy years the students of Holy Name School have held a May Crowning ceremony to honor our Blessed Mother. This tradition continues today. On Tuesday, May 3rd, the students gathered around the Virgin while Jordan Kuiper crowned her with flowers. Following the ceremony our preschoolers planted summer flowers in front of the statue.

Papio-Missouri NRD Funds Vegetable Garden

Holy Name preschool and 5th graders have a new project thanks to a grant from Papio-Missouri NRD.

During the month of May, the preschool students planted the new garden. During the last days of school, they anxiously awaited the sprouts of their seeds. The Holy Name Day Care students will assist the 5th grade with watering and weeding the plants during the summer months. When school begins in August, plans are to harvest the crops and share the vegetables with students and their families. What a great hands-on experience for the students, and what a great way to encourage healthy eating!

Holy Name Welcomes Special Visitors

Jim Hendry addresses questions from Holy Name Students.

Holy Name was host to two special visitors, Chicago Cubs owner Pete Ricketts and Chicago Cubs General Manager Jim Hendry. At an assembly, Mr. Hendry spoke to the students about the importance of education and listening to parents and teachers. He told students that if they want to succeed in life, the beginning of that success was a good education.

Mr. Hendry was generous with his time and answered several questions from the students. He shared his love for baseball in general and the Chicago Cubs specifically. The students enjoyed the visit and a few lucky ones received an autograph. Mr. Hendry was in town to speak at a luncheon for the Children's Scholarship Fund.

organizing an All School Picnic to celebrate Earth Day, wrapping presents for younger students at Christmas and surprising students with afternoon movie days in recognition of their hard work in the classroom. We salute these leaders and wish them well in all their future leadership endeavors.

You bring joy to our community and most especially our students! So often throughout these past six months I have had heartwarming conversations with so many of you in regard to the future of Holy Name School. As I write this letter today I can assure you that our future is bright. With the great support and prayers of each of you we have weathered the winter storm that seemed to try to suffocate our energy. The real “weather” gave us over 45 inches of snow and the financial “weather” did not give us much room to breathe either. Fortunately, at Holy Name we have so many reasons to be joyous and grateful, one of which is the consistent support of our mission. You are the reason we are able to continue to serve the children and families of Holy Name. When our students look to us they are asking us to look at them with eyes of faith. Let’s give them every reason to find the answer in us and to know that because Jesus loves us and lives in us, He holds the future for all of us. The excellence, compassion and tradition built over the past ninety years remains strong as we uphold the same standard of excellence today. Holy Name is a center of activity that revolves around our faith and our commitment to serve.

In March we began the process of building a plan to provide a solid foundation for our future. With the help of seven corporate leaders we have reviewed almost every aspect of our work in the development office. The wisdom and insight of this group is amazing. They have offered their time and talent to support us in making changes that will allow for greater assurance of financial viability. Through their kindness and great experience they have asked us to make changes that will add so much strength to the ever present support we have through each of you. Change is hard, but always necessary. Nothing stays the same in this world and without making changes those things that lie stagnant will eventually fade away. Holy Name will not fade away and we have taken on the challenge of making changes to preserve our future for the students that we must serve in the twenty first century. The culmination of these efforts is a newly designed development plan, some exciting new marketing avenues and a bright future.

The 2010 Annual Appeal timeline has concluded and I would like to send each of you a personal thank you for your generosity. As I mentioned above, even with the storms we weathered through this past winter and early spring you have supported our students with over \$50,000 in donations! Thank You!

Please stop by and visit us anytime, drop us a note or email; we love to hear what is happening in your world! Thanks for everything you do for Holy Name and God Bless each of you!

HALL OF FAME NIGHT OF HONOR 2010

Another year and another great group of inductees to the Holy Name Hall of Fame! Kudos to Dr. Joe Evans H65, Tony Pflug H76, Fr. Dick Quinn and †Diane Worthing H80 Brich. It was a beautiful night and a record crowd filled the church cafeteria as we listened to heartwarming stories about days gone by and most importantly why these people believe so strongly in the mission of Holy Name today. Nominations for future Hall of Famers can be sent in at anytime, but there is always a nomination form included in the November issue of the Rambler. Nominations are kept from year to year until a nominee is actually inducted. We are so blessed by the number of people who support and more than fulfill the criteria for being inducted. If you know someone who exemplifies these qualities, please forward a nomination! The Holy Name Hall of Fame gives tribute to those who are: 1. Living personal lives of faith and service. 2. Exemplary teachers, former staff members, alumni, coaches, parents or friends of Holy Name and 3. Have given direct service to Holy Name and the community for a significant number of years.

Each year as the end of the school year approaches an Honors Assembly is held to award scholarships and tuition assistance to our students. The graduating eighth graders are awarded honors, High School Scholarships and high school tuition assistance gifts. The incoming 4th through 8th graders are awarded Family Fund Scholarships and tuition assistance gifts. There are currently 38 Family Funds held within the education endowment. These funds have provided more than \$392,000 in tuition assistance for our students since 1996.

Other generous benefactors provide tuition assistance and scholarships. We are very grateful to the Holy Name Ladies Confraternity and Men's Club, The Dillon Foundation, The Dr. C.C. and Mabel Criss Foundation, the Class of 1966 John Neumann Scholarship fund, Creighton Prep and the Robert + Rosemary Scholarship Fund, Luke and Shirley Coniglio and the family of Nancy Lee H58 Hamilton.

During this assembly we welcome our eighth graders into the Holy Name Alumni Association.
