When it comes to being a teacher, it runs in the family for the Bender family. For generations the Benders have been involved in both the school and the parish of Holy Name. However, teaching has been their true calling. Shirley Konnath Albright H48 once worked at Holy Name as the Reading Tutor. Later her daughter Betsy Albright Bender H73 became the Physical Education teacher at Holy Name where she spent 18 years. Currently Betsy's daughters Sarah Bender G04 and Becky Bender Galvan G01 are both teachers at Holy Name School. Sarah is in her third year as the Spanish teacher and Becky started in January as the second and third grade combination room teacher. They both say they were inspired to be teachers because of their mother. Betsy had the privilege of teaching all four of her children, Jon G98, Becky G01, Jimmy G03 and Sarah G04. As for the sisters, they have loved working together and being back in the school where they spent their childhood learning. Next year will be different for them however; Betsy will once again be teaching Physical Education at Holy Name. "We are so excited for the opportunity to work with our mom; she really is the reason we became teachers in the first place," said Sarah. Betsy can't wait for next school year, "I'm thrilled to be back at Holy Name School once again, it will be a true blessing to work beside my daughters."

For all three Bender women, getting to work will never be a challenge as all still live just down the street from Holy Name.

FROM THE PRINCIPAL

This place is much more than a school! It is a family of caring and loving people who are proud of the tremendous tradition that continues to grow each year.

Having almost completed my first year at Holy Name School, I have learned that it is truly a special place! I feel blessed to be here! This place is much more than a school! It is a family of caring and loving people who are proud of the tremendous tradition that continues to grow each year. We have donors and alumni all over the world who say, with a friendly smile, "I love Holy Name". Each have their own story to tell. I love to hear each story as much as they love to tell them. Even though many of the Holy Name Alumni and donors are hundreds of miles away, they remain connected by their heartfelt compassion and drive for Holy Name.

This drive for excellence at Holy Name School is getting stronger as we announce the hiring of a second faculty member for kindergarten, first, second and third grade, and a primary resource position. These additional staff members provide the opportunity to prepare for our growth; we expect an increase of approximately 50 students next year. This will move the population from 215 to 265 students. We will maintain the lower teacher/student ratio. Our vision is to continue this growth each of the next five years while addressing the physical needs of the school building.

We have been blessed by the addition of projectors, personal computers for students and teachers in each classroom, a tech lab, and a STEM lab. We are grateful to the Men's Club and the multiple donors who have made this happen. This technology has helped us address many staff development opportunities which, in turn, address the needs of our students as we prepare them for high school.

Our 8th grade students have worked hard, and I am proud to say that on Tuesday, May 24th, they will be graduating. Thirteen of the fourteen are planning to attend local area Catholic High Schools.

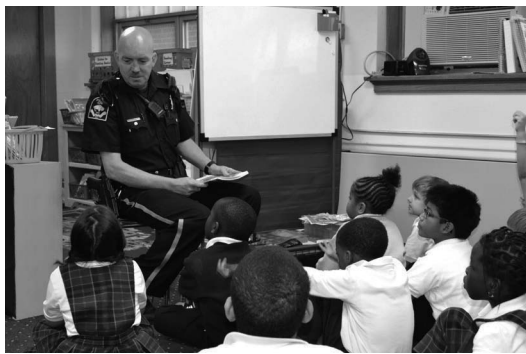

From the students, staff, and parents at Holy Name School, I want to thank you from the bottom of my heart for what each of you have done over the years to make Holy Name School a special place. I thank God every day for the opportunity to be your principal.

Dr. Don Ridder, Principal

READ TO KIDS DAY

Read to Kids Day

Each year in March, Holy Name School is fortunate to welcome “guest readers” to the preschool through eighth grade classrooms for the Read to Kids program. On Friday mornings, the readers select a book to read to the students and talk to them about the importance of their education and how it led to career opportunities. In its 19th year, Holy Name was honored to welcome more than fifty members of the community.

One of our readers, Governor Pete Ricketts, reading to the kindergarten class.

SCHOOL NEWS

Kenidy Dunlap and Jade Martinez

Celebrating STEM in Education

Holy Name students Jade Martinez and Kenidy Dunlap joined two other 8th graders and Mrs. Smolinski, STEM Coordinator, at the NETA (Nebraska Educators of Technology Association) Conference at Century Link Center. The students spent an entire afternoon presenting concepts learned during their school STEM classes to educators from around Nebraska. They talked about circuitry, robotic arms, programming and

how much learning about Science, Technology, Electronics and Math means to them. They also enjoyed sharing how PlayDoh can be used to conduct electricity. Mrs. Smolinski heard nothing but praises from the teachers and organizers of the conference. Jade and Kenidy also visited the other STEM booths and brought back ideas for new projects to Holy Name School.

Congratulations Mrs. Colleen Mertz!

Mrs. Colleen Mertz has been teaching kindergarten at Holy Name School for 36 years. She has always been full of love and compassion for each and every one of her students. Mrs. Mertz has been chosen to receive the 2016

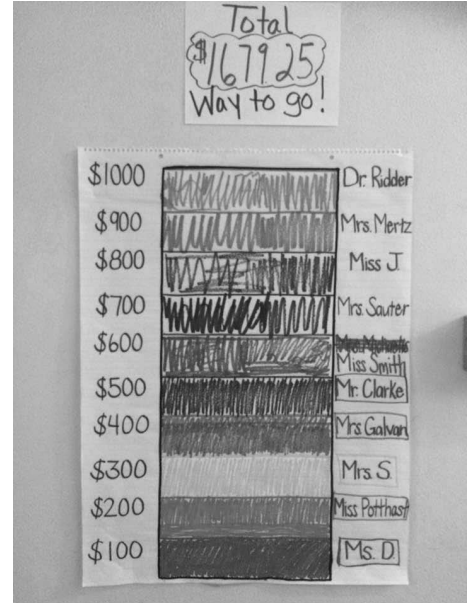

Educator of the Year Award to Inner-City and Special Needs Schools. This award is funded by the Maginn Family Foundation. From everyone at Holy Name, we want to congratulate Mrs. Mertz! WE LOVE YOU!

SCHOOL NEWS

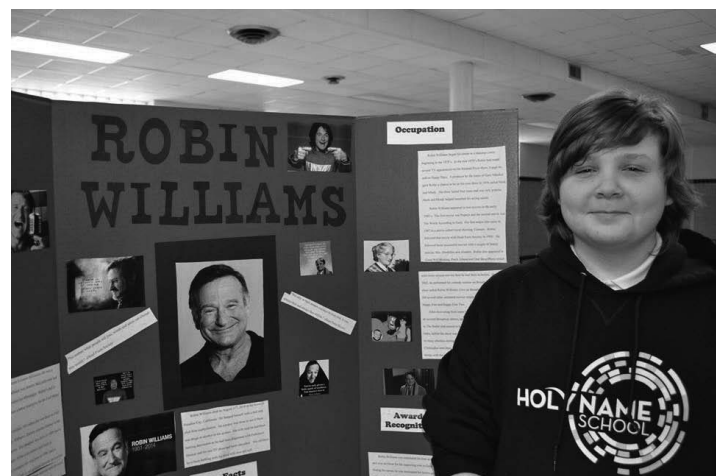

Congratulations to all the “angels” who received their First Communion at Holy Name. It was a very special Sunday for everyone!

Students had a goal to raise \$1,000 to start a scholarship in the name of our former secretary Carol Cowart. For each \$100 raised, a different teacher will get a pie in the face. They exceeded their goal, and raised \$1,679.25. A very generous donor has also offered to match \$1,000!

First graders, Beatrix Murcek and Cooper Gintz were greeters for all of our visitors to the super hero themed Kindergarten Round Up! They did an awesome job!

The junior high students did a wonderful job presenting their research projects. The topics consisted of Social Studies, Science, or Famous People.

Team Monkey Mountain Bar

We wanted to play baseball and we needed a sponsor. Back in 1944 our parents were very busy just keeping their children clothed and fed. Many parents could not even get to very many of the games. So, this group of boys went to “Daddy’s Cookies” and asked if this company would sponsor them. The owner said no but took them next door to Yuergi’s Hardware Store and bought them bats and balls. The next stop for the boys was to Mr. John Vodra who at that time owned the “Monkey Mountain Bar” located across the street from the old Military Theater. Mr. Vodra sponsored the team and outfitted them with shirts and hats!

Hall of Fame

The Holy Name Night of Honor gives tribute to those who are living personal lives of faith and service. They have been exemplary teachers, former staff members, alumni, parents, and friends of Holy Name. At the event members of the Holy Name community who have exhibited exemplary dedication to the mission are inducted to the Hall of Fame. At this year's event, held on April 21st, the following deserving people were inducted: †Carol & Roy Cowart, Joe O'Kane, Helen Smith, and Ellie Wingender. Please join us in congratulating the newest inductees and thank them for their dedication to Holy Name!

It's that time of year! The Omaha Community Foundation is once again hosting the 24-hour Day of Giving, Omaha Gives! on May 25th. Last year the event raised over \$8.8 million for 704 nonprofits in the Omaha area.

Holy Name School will be participating in the event again this year. To make your donations stretch even further, a generous donor has offered to match the first \$2,500 in gifts dollar-for-dollar. To learn more about Omaha Gives! or to schedule a donation for the day of the event, please visit **OmahaGives24.org**. Donations can be as little as \$10 and will be amplified by bonus dollars distributed throughout the day by the Omaha Community Foundation.

Thank you for your support of this exciting day of charitable giving! ▶▶▶

2016 IMAGINE: A New Adventure for Holy Name School

It was a beautiful evening for over 150 guests! The event was held on Saturday, February 20th at the Mainelli Center at St. Robert's. The guests were treated to a rousing performance by the Holy Name School student choir, a Wine Walk and a fun audience participation activity! The evening was a great success raising over \$50,000 to meet the needs of our students and faculty. Our thanks go out to the generous donor providing a \$10,000 match for the Raise the Paddle for tuition assistance. Thank you to our chair couple, Brian G77 and Susie Shoemaker, the Holy Name Advisory Board, Special Events committee, the host of volunteers and most importantly, all of the guests who attended the event in support of our mission! Thank You!

2016 Harvest: A Feast of First Fruits

"Honor the Lord with your wealth, with first fruits of all your produce."

Proverbs 3:9

Our 2016 Harvest Chairs Kathleen H70 and Tom Cullinan and co-chairs Nettie H75 and Tony H76 Pflug invite you to join us for wonderful evening celebrating the great work of Holy Name School with fun, food, and fellowship. We will gather at the beautiful DC Center, 11830 Stonegate Circle on Friday, October 7th. **Please mark your calendars!**

FROM THE STUDENTS

We wanted to share with you what a few of our 8th Grade students have to say about their soon to be alma mater.

Kassidy Carpenter

DUCHESNE ACADEMY

Holy Name...When I hear that name I hear home, family, faith, and friends. I have been at Holy Name since fourth grade. My family went here and we have been a part of Holy Name's parish for years. I am always up for a challenge and that is what Holy Name gives you.

I love Holy Name because you don't think of each other as classmates, you think of each other as family. We all feel safe around each other and the teachers. Nobody has to pretend to be something we are not.

When I hear Holy Name I hear faith. I know that I can trust Holy Name to show me the way into my faith. I am enlightened to God and Jesus. I know I will be able to pray to God without being in trouble.

Emerald Starling

MARIAN HIGH SCHOOL

Hi my name is Emerald Starling and I have been going to Holy Name for a year and about two months. When I first got here I was really nervous about switching new schools and living in a new state. When I started my first day, the first person I met was Jade. She was very nice and showed me around the school. Holy Name is a very diverse school. Yes Holy Name is a Catholic school, but you don't have to be Catholic to join. If I had a chance to go back in time and choose a different school I would not choose any other school.

Sierra Williams

RONCALLI CATHOLIC

What Holy Name means to me is that I have another place to call home. Everyone here always listens to what you have to say and doesn't just judge you. When I think of Holy Name what comes to mind is friendship and family. You meet so many people and become really close. I would call Holy Name my second family. I will miss it very much.

Yasaker Gioum

CREIGHTON PREP

Holy Name means a lot to me. They are always here for me and everything they do is directed towards the education and benefit of the students. What I love about Holy Name is the amount of care they put into things. The compassion and care that they put forward is amazing. The teachers put forth so much work to ensure the education and happiness of the students.

Kenidy Dunlap & Jade Martinez

RONCALLI CATHOLIC & MERCY HIGH SCHOOL

Holy Name is a great place to grow in faith, academics, and friendship. Throughout the years here at Holy Name we have developed a friendship that will last even after we leave. This school has provided us with good social skills, proper behavior, and respect for all. We will leave Holy Name knowing that we are prepared to thrive and reach our goals.
