Holy Name School provides the education and skills needed for our students to be successful after graduation. The excitement and commitment continue as we open a STEM Lab (Science, Technology, Engineering, Math) for our students. Over \$40,000 of equipment is available in the lab and has been funded entirely through grants and private donations. This new program addresses the need for students to participate in hands-on learning in STEM areas. To be successful, students require the skills of critical thinking, creative problem solving and teamwork to prepare them for future education in critical STEM areas and success in the workforce. The lab will open to the middle school students in February and fourth and fifth grade students in March. In the fall of 2016 these students will mentor the Kindergarten through third grade students, sharing their knowledge, which allows them to practice social and oral communication skills.

The robotics program provides eight robotic arms using joystick operation, four robotic arms using computer programming, three hydroelectric exploration centers and two cameras to use with the equipment. Also available are classroom sets of Snap Circuits, Snap Circuit Kits, bridge building kits, Lego Robotics, Little Bits electronic kits, wearable electronics and 14 Laptop computers.

Funding for this project came from four corporate donors and two foundations: Goldenrod, PayPal, COX, Shopko, Ritonya-Buscher-Poehling and the Simon Foundation. In addition, the Holy Name Men's Club, IFWINCO Blinds and several private donors and parishioners have donated equipment, furniture and additional funding.

Grants are pending for many exciting additions to the STEM Lab. Come by and check it out sometime; the students would love to show you all they have learned! Holy Name School is truly blessed to have the support of the community, and the students are very fortunate to have this learning experience!

# FROM THE PRINCIPAL

## Dear Holy Name Families and Friends,

Thank you to everyone who attended our Imagine event in February! The support you bring to our students through this wonderful event is outstanding. We extend our deepest gratitude to the St. Robert's community for their great generosity.

God continues to bless us with staff members who share the Holy Name spirit of making a difference for every child at Holy Name School. We welcome Becky (Bender) Galvan G01 to our teaching staff serving our 2-3 combination classroom and Mr. Jim Purnell as our Maintenance Director. Jim's father attended Holy Name High School. In addition to Jim, we have added two outstanding custodians, Cristian and Milady Benitez, son and wife of our lead Custodian Jonatan Benitez.

Our plans for the 2016-2017 school year include adding a second classroom to the following grades: Kindergarten, first, second and third. The plan is to decrease the student/teacher ratio as well as increase the quality of education with more attention to the needs of the primary children. This means hiring teachers for these rooms along with a full time resource teacher to address the needs of our primary students. Due to parent referrals, the outstanding work of our teachers and staff and the work of Mr. Clarke, our enrollment projection for 2016-17 is 275 students! Because of the amazing support of our Holy Name parents/guardians, donors, alumni, parishioners, community, our development program, and the passionate work of our school staff we are sure to succeed.

I want to close with a GREAT BIG thank you to Fr. Tom Fangman for all he has done as Pastor of Sacred Heart Parish and the CEO of CUES these last 18 years. Recently, he said Mass to begin a School of Faith training for all of the faculty for our CUES schools. His message was that our students and staff have access to God and that has and will always be the strength of our schools. This transition of faith cannot be measured or even assessed until we all join together in heaven in a special place Jesus has promised to prepare for each of us.

Thank you and God Bless,

Dr. Don Ridder, Principal

## MUSICAL!

Holy Name students sing their hearts out at the 2015 Christmas program. The Kindergarten through 4th grade students performed to a packed church. With all their Santa hats, the 4th graders were the hit of the evening!

## MLK Day!

Holy Name 1st Graders spent a week talking about and writing stories about Martin Luther King Jr. Then they created portraits using cutout pieces of construction paper. Gabriel did a great job of capturing MLK likeness from a book the students were reading. They learned a lot about a very great man!

## La Ropa

Holy Name 3rd graders had a great time learning the names of clothing this week. They were playing a game in Spanish class about "La Ropa" (clothing), racing to see which team could find and put on el sueter (sweater) and la gorra (cap)! You could hear laughter all the way down the hallway!

Pictured: 3rd graders Jackie Francisco and Phillip Ofafa, Grace Ann Robinson looks on from the background.

## School Choice Rally

Learning how to participate in the political process is important for young adults. 8th graders spent the day in Lincoln at the School Choice Rally.

## Thank you!

As part of a yearly tradition during Catholic Schools Week, after a city wide 8th grade mass, Fr. Tom treated the students of Sacred Heart, All Saints and Holy Name Schools to lunch at Spaghetti Works in the Old Market. Thank you to a special donor who offered to treat the students to Ted & Wally's ice cream after lunch! What a great day!!!

## Volleyball!

We always end Catholic Schools Week with a 7th vs. 8th volleyball game and an 8th grade vs. faculty volleyball game. It is all in fun and everyone has a great time...especially the audience. Congrats to all three teams!

## 100th Day of School!

# ALUMNI NEWS

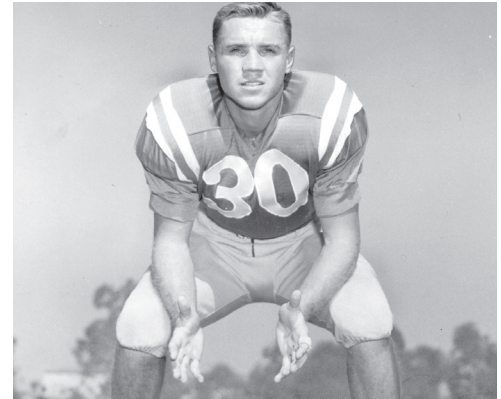

The editors of the Stata Journal awarded the Editors' Prize for 2015 to **Richard Williams H74**. Williams is now on the faculty and is a former Chairman of the Department of Sociology at the University of Notre Dame in Indiana, where he has taught and researched since 1986. Congratulations Richard on your award!

## Remembering Jim Decker H52

At Holy Name High School, Jim was an all-state athlete, playing basketball and lettering in football. After high school he attended UCLA, where he was the starting wingback on the 1954 team, which was voted national champions by UPI. Jim was drafted by both the Los Angeles Rams and the Edmonton Canadians Canadian Football League team. Jim chose to sign with Edmonton, but suffered a career-ending knee injury in a preseason game. He later settled in Sioux Falls, SD and started a successful home building company. Sadly Jim passed away this past December. We remember Jim and his many accomplishments.

Congratulations to **Bill and Kathleen (Vaughan) Crowell H53** on their 60th wedding anniversary. The couple met in high school when they both landed roles in the school musical "The Mikado" and they started dating. They now have 14 grandchildren and 7 great-grandchildren.

Congratulations to **Jim H54 and Aggie Stratman** on 60 years of marriage! They now have 34 grandchildren and 23 great-grandchildren... and counting!

## † Colleen Minturn

Colleen Minturn H47 recently passed away. The Minturn family is a part of the fabric of the Holy Name family.

†Colleen (Gentleman) Minturn H47, wife of Robert H45, sister of Jack Gentleman GF48 and Donald Gentleman GF50. And of course her wonderful children; Jerry, Bob, John, †Tom, Peggy, Mary, Ann, Kathleen, Rose HF79, Ellen HF80, Joe H81, Liz H82, Jimmy H84, Paul H85 and Molly HF91. Blessings to all of you!

# HALL OF FAME

## Joe O'Kane

Joe O'Kane started as a Fish Fry helper in the early 1990s and has been a "force unto himself" ever since according to his friend and fellow Fish

Fry volunteer, Pat Albright. Joe has the very important responsibility of managing the kegs of beers at the Fish Frys. He moves dozens of kegs from the back of the cafeteria to the front and back again every week of the Fish Fry. He's known as the "workhorse" among the other volunteers.

Joe is an active member of the Men's Club and greatly enjoys playing horseshoes and darts with the other members. He's also been a faithful volunteer through other projects such as assisting with carrying groceries, taking trash to the curb, and shoveling walkways. He has never needed any

recognition for what he does. As the nominations for his induction state, he always sees it as "just the right thing to do." For overcoming obstacles and "walking the walk" for more than 25 years, Joe is a great example of catholicism and friendship for Holy Name.

## Helen Smith

Helen Smith has lived in the Holy Name Parish since 1949 when she moved here to live with family.

She began attending Mass here and continued after marrying her husband Mearl in 1952. They lived at 42nd and Wirt Street for 11 years then moved directly across the street where Helen remained until last year. Helen and Mearl raised two boys, Paul H73 and Larry H75 in the Parish. Once her sons were grown, Helen had more time to devote to Holy Name.

Helen attended daily mass for more than 50 years, showing up early to unlock the doors for other parishioners. She served as Lector and Communicator as well as Extraordinary Minister of Holy Communion. Throughout her time at Holy Name, Helen has served in

almost every area. She served as an OK Group Volunteer, gave her time to the Confraternity, prepared food for hundreds of Funeral Luncheons, worked the counter of the Humble Jumble, counted offerings on Monday mornings, and assisted with mailings for the Parish and School. Helen has been nominated for "her quiet, humble gift of herself to the Lord and His people." Despite her dedication, Helen would quickly tell you she hasn't done anything to deserve the Hall of Fame induction. The humility she displays is a goal everyone should strive to meet.

# HALL OF FAME

## Ellie Wingender

Ellie Wingender is a tireless supporter of Catholic education. In the 1950s Ellie converted to Catholicism, and with her late husband, John, raised her family in the faith under the guidance of the Redemptorists and

Servants of Mary. Throughout the years, the priests and nuns have maintained close relationships with the Wingender family. The Wingender children, John H68, Kathleen Cullinan H70, Mary Kay McCarthy GF71, and Jim G67 attended Holy Name. In addition to Holy Name School, she has also supported St. Richard's and St. Robert's. Being there for her children and looking after grandchildren, she has also been a good friend to Mount Michael, Creighton Prep, Marian, and Mercy. Ellie and her family have been very present around Holy Name. Attending

the annual Harvest event and Lenten Fish Frys is a family tradition including three generations. The Wingender family have funded three Family Fund scholarships within the education endowment. Ellie attends the Honors Award ceremony every year to meet the students that will be receiving their scholarships. She takes great joy in knowing that the family is helping other children fulfill their dreams of an excellent education. For the decades of service, loyalty, and generosity to Holy Name School, Ellie Wingender is a perfect candidate for the Hall of Fame.

## Carol & Roy Cowart

Carol and Roy Cowart have been an institution at Holy Name Parish and School. With much sadness, Carol passed away last year. Prior to her passing, Carol served as the School Secretary for forty-one years. But that

was only one part of her involvement with Holy Name.

The Cowart Family moved to the neighborhood more than 40 years ago, and Roy continues to live in the family home. Roy and Carol raised three children who graduated from Holy Name School, Mark H79, Steve H80, and Christie Groebli H83. During the students' school years, Roy and Carol supported multiple clubs, committees, and sporting events. As parents, they were a fantastic pair, supporting each other and their children at every turn.

Roy was one of the original Fish Fry volunteers, beginning over 30 years ago, and he continues

to dedicate his time every Lenten season. He has also served in the Church for a countless number of years. Carol was the face of Holy Name School. The students knew her as the smiling face, the "band-aid lady," and "Mrs. Fix It." The teachers remark that they can never recall seeing her upset at anyone. Jenny Bradley, alum and long-time teacher, sums it up well when she says, "Carol and Roy embody what the spirit of Holy Name is all about."

## Donations to Holy Name School and/or Holy Name Parish (Church)

Our continued thanks for all of the support provided for our mission over the past ninety-eight years. To meet the ever-changing needs of the Holy Name Community, the financial records of the School and Parish have been separated. The separation of the finances is helpful in many ways. It allows the parish staff and school staff to steward your gifts efficiently; and increases donor confidence that donation dollars are applied in a manner consistent with your wishes. What this means to donors is that donations should be clearly marked to guarantee they are going to the area intended. For all future donations, please designate Holy Name School or Holy Name Church. This will ensure that we are able to steward every dollar in the way you intended. The Parish and School each have their own website:

Parish: [www.holynamemaha.org](http://www.holynamemaha.org) School: [www.holynameschoolomaha.org](http://www.holynameschoolomaha.org)

**Memorials and Honors:** You may choose to give your memorials to the school or the parish. It is important to note that donations made as MEMORIALS, whether through the school or the church, are listed in the Rambler. You may also choose to donate and have a Mass said for a departed loved one—these offerings are not listed in the Rambler.

## Endowed Scholarship to Honor Carol Cowart

In the fall 2015 Rambler we announced our desire to honor Carol Sesto Cowart for giving forty one years of her life to Holy Name School. Her siblings and many of their children attended Holy Name School. Last year, quite suddenly, Carol became very ill and passed away. The faculty and others are

honoring Carol by starting the Carol Sesto Cowart Memorial Scholarship Fund. We are hoping that many of you who knew Carol will honor her service to Holy Name School by contributing to the scholarship fund. To date the fund has raised \$1,125.00! When it reaches a \$2,500 principal balance within the education endowment, it will provide a scholarship for a current Holy Name School student. Please make your donation payable to Holy Name School and note it for the Carol Sesto Cowart Scholarship Fund. Thank You!

## Never underestimate the value of prayer!

Saint John Damascene once said that “Prayer is the raising of one’s mind and heart to God or the requesting of good things from God.” Our students begin every school day with prayer. Every Wednesday is special because they gather together in church to celebrate the Holy Mass. Our students look forward to participating in the Eucharistic celebration each week. For them it is a special time to encounter God.

I am happy to tell you that our students pray for you every school day but on Wednesdays you and your loved ones are uplifted in sacrifice of the Holy Mass. It is their way of saying thank you for all you do for them. They know that without your moral and financial support many of them may not be able to afford a good Christian-based school. Your generosity and their prayers do wonders. Life is transformed and hope is kept afloat. We all say thanks, and ask God to bless you!

Reverend Vitalis Anyanike, Pastor
