Holy Name Video Production Studio

Holy Name is proud to announce the unveiling of our new video production studio, the latest addition to our STEM Lab. The studio was funded through a generous grant from COX Communications and private donations. The goal is to allow students to express themselves visually from a variety of sources. In addition to taking pictures and videos, the students will practice interviewing, note-taking and editing skills.

The project began with painting a wall in the little gym with green screen paint. The students could then take pictures and videos which could be combined as they are on television. Next, professional equipment was purchased, including a high-quality microphone, teleprompter, video camera and lighting system. A great studio would not be complete without computer software (tested and recommended by Jim Adams, COX Producer/Director) and an editing machine. Using a variety of donated cameras, iPads purchased through other grants, a donated tablet, and additional video cameras purchased with a grant from Best Buy, the students were ready to start taping and snapping pictures.

The goal of the production studio is to allow the students a multitude of different outlets to communicate their ideas and, most importantly, the art of truly listening. The skills learned in the studio will allow them to grow and develop problem solving skills to transfer to high school work, college assignments and, ultimately, succeed in their life after formal education. And, of course, the students will learn to have fun while creating and learn the joy of expression.

FROM THE PRINCIPAL

Dear Holy Name Families and Friends,

Each year, across the country, the last week of January is set aside for Catholic Schools to celebrate Catholic education with a focus on our Faith, Knowledge and Service. We were blessed to enjoy a full week of exciting and enjoyable activities. Beginning on Sunday we celebrated Mass with the Parish with a student and faculty testimonial on the great news of Catholic education. Monday came with a pajama day, Tuesday a parent luncheon, and Wednesday a spelling bee and a read and feed with a buddy class. Thursday brought Discipline With Purpose Olympics in the cafeteria, and we ended the week on Friday with the 8th graders playing the staff in a volleyball game. We realize how blessed we are to have the opportunity to teach as Jesus did. Our teaching staff makes Jesus come alive in our school!

We are very pleased with how well our students did in competition at the Bible Bowl, Book Bowl and Spelling Bee, and we are looking forward to competing in the Archdiocesan Math contest held in April. We have moved from the season of Advent to preparing for Lent which begins on Ash Wednesday, March 1st. YOU are our best referral source so please share the good news about Holy Name School with friends and relatives. Our school population continues to grow! Two years ago total enrollment was 196, last year it was 216, and we started this year with 250 students. Our goal is to have 280 students when we open our doors next fall.

In our Early Childhood Center, we realize that the educational and social development of preschoolers ages three, four, and five is critical and requires a strong physical and academic program. As of June 2017, we are concentrating our efforts on teaching and learning for these age groups. The goal is to have these children at or above grade level as they enter our Kindergarten; allowing us to increase our academic expectations in our K-8th classrooms. Therefore, as of June 1st, in order to concentrate on this critical program, we will no longer provide day care services in the Early Childhood Center for children less than three years of age.

Thank you for your support of Catholic education and Holy Name School. It is because of you and all of our benefactors that we can teach as Jesus did. Thank You!

God bless,

Dr. Don Ridder

HALL OF FAME

Denny H61 & Sue H63 Peterson

Denny and Sue Peterson have been a part of the Holy Name community for almost 60 years. Denny joined

the Parish in 1947 and Sue in 1958. They met while attending Holy Name High School and have fond memories of sporting events, clubs, and organizations they joined. They particularly remember the Servite Sisters who gave them an outstanding education and the Redemptorist priests who reinforced their Catholic faiths. After graduating from the high school, Denny and Sue were married at Holy Name church on April 4, 1964.

Denny has been a member of the Men's Club since 1982 and served as the Treasurer for two years. He was the Fish Fry Chairman in 1988 & 1999. He

was the First Grand Holy Name Knight of the Knights of Columbus in 2007 and has served the Church as an usher for more than twenty years. Sue has been a long time Ladies Confraternity member helping with the funeral lunches as well as a volunteer for the Humble Jumble. Both of them were tithing counters for 10 years and serve as Eucharistic Ministers of the Holy Communion.

Denny and Sue state, "The sense of belonging one receives at Holy Name cannot be described to someone from another parish. Holy Name parish is family."

Sofia and Frank Kock

Sofia and Frank Kock have been members of Holy Name Parish for over 40 years. During those many

years they have joined with many other very dedicated parishioners as members of the Men's Club and Confraternity. They have served as EMHC and lector/commentator. Their children, Matthew, Kathleen and Andrew, were baptized at Holy Name as well as several of their grandchildren.

Sofia served as principal of our grade school from 1996 until her retirement in 2015. Frank has been a faithful "cutter" at the Holy Name Fish Frys.

Sofia and Frank feel strongly that, "Holy Name Parish and School are both welcoming and service oriented communities of dedicated families. The spirit of this community

has overcome difficulties and become stronger as a result. We truly believe in the statement 'Once a Holy Namer....always a Holy Namer'. Former and current parishioners and our school alumni remain connected by a common belief in our mission of service to others. This charism was established by the Redemptorist Priests and Servants of Mary Sisters who staffed our parish and school for so many years. We continue to be proud members of this strong and growing faith community."

Tony Jaworski

Tony began his teaching career at Holy Name after completing coursework at Creighton University in 1967. He began teaching English and Latin as well as coaching. In his first year of teaching, he married his wife of almost 50 years, Martie. Their

relationship continues with Holy Name School with four grandchildren attending grade school.

In 1972, Tony became the head basketball coach. With many talented athletes, the team went on to win district championships in 1974 and 1977, qualifying for the state tournament. Tony pursued his Master's in Educational Administration at Creighton University. In 1979, Holy Name High School needed a principal, and for the first time, there were no Servite Sisters available to fill that role. Tony became the principal of the High School and served in that role through the 1983-1984 school year.

Tony states, "The challenges of that role brought many joys as well as concerns about the changing dynamics of a single parish supporting both a high school and elementary school. I grew immensely during those 17 years at Holy Name, both personally and professionally."

"I think it is an amazing blessing that life has come full circle and now I am raising my family in this amazing HN community. As Dad would say, "God is so good"."

- Jeni, Daughter of Tony Jaworski

Jack and Shirley Schaefer

Jack and Shirley Schaefer have been members of Holy Name parish for over 50 years and have been a significant presence during that time. They raised three children, Randy,

Ron, and Julie in the parish and sent all three to both grade school and high school at Holy Name. Their grandchildren also attended Holy Name School.

Jack and Shirley have been active role models, known as "Grandma Shirley" and "Grandpa Jack" to many other students who have walked through the doors, caring for them in their home before and after school over the years. Shirley is still part of the Ladies Confraternity, cooking for funeral lunches. She also volunteered time at the Humble Jumble, ushered at church and visited those who are shut in or sick. In the past, she served as president of the school board. Shirley also supported with publicity for

events and has served as the league secretary of the Holy Name Men's Club mixed bowling league for over thirty years.

Jack is one of the original implementers of the beer batter fryers for the Men's Club and volunteered at every one until just a couple of years ago. Jack has also donated and installed carpeting and wiring, putting in many hours of volunteer work in the field house, church, and school computer lab.

Their daughter Julie expresses, "among the many distinguished Holy Name Hall of Famers, I believe my parents, Jack and Shirley, display the true character of being ambassadors for Holy Name."

Your story may be featured in the anniversary book! More on that later as planning continues throughout this year.
