The Next 100 Years for Holy Name School

It seems impossible to believe that this community has thrived and grown for 100 years. The work of so many parishioners, school families, alumni, and friends has led us to this pinnacle. The closing event of the 100th year of

SACRED HEART

CUES
FUND

Holy Name School will be celebrated at Harvest on October 5, 2018. We hope many of you will join us! Starting in January of 2019 we begin the next 100 years! Our commitment to the students and families of Holy Name School is further solidified through the creation of the CUES School System. We are grateful for the work that has been achieved over these past five years to bring together the work of Holy Name School and two others. Sacred Heart School and All Saints School have also stood in their tradition of excellence for many, many years. The CUES School System is building a foundation for continued excellence for all of the students at these three schools. As we move through the 2018-2019 school year you will see more and more information about not only the work we do at Holy Name School but also the work of our larger entity including Sacred Heart and All Saints Schools. Your prayers and gifts to the Holy Name School remain vitally important to our work each day. Another area of improvement is within our fundraising efforts. In order to fully fund three schools the fund raising arm of the CUES School System will be known as the CUES Fund. All three of the school communities have supporters who are tied to the mission of an individual school. We want to assure you that you may direct your gift through the CUES Fund to the school of your choice by simply making a note with your gift identifying which school you would like your gift directed to. Our work continues! As we continue to reminisce in these last few months of the 100th year of Holy Name School I invite you, to remain connected to and excited about what is to come in the next 100 years.

HOLY NAME 100
SCHOOL YEARS
RAMBLERS

FROM THE PRINCIPAL

Dear Holy Name School Families, Alumni and Friends,

My name is Tanya Murray, and I am so excited to be the new principal at Holy Name School! I am honored to have been selected to join the CUES School System known for its dedication to excellence. Over the past 18 years, I have worked in the Omaha community as a teacher, instructional facilitator, summer school principal, administrative intern, and executive director.

The most important role I play in my new role as your child's school principal; is to inspire our children, families, staff, and community to "dream big" and become "goal getters" through the creation of a culture of hope and high expectations. Every day I will spend a great deal of time with your children, as I get to know them. You are your child's first teacher and together, we will work to ensure your child reaches their full potential. As the old African Proverb states, "It take a Village to raise a child", and I am blessed to now be a part of your village.

We have been working hard this summer to ensure that this school year is the best one yet! I want to give a big THANK YOU and SHOUT OUT to all of our staff for all their efforts to start off this year in a smooth and efficient way. Teachers have worked hard getting their rooms organized and ready, they spent the first two weeks of August in Professional Development learning evidence based strategies for creating a positive climate, implementing our new reading series, and starting to implement blended learning strategies.

Thank you for the never ending support you provide to this community. You make a difference in our ability to succeed in all areas at Holy Name School. We couldn't do what we do without you!

Sincerely,

Tanya Rochelle Murray, Principal

Hello Ramblers and Friends! The school year is off to a great start. The children are settled into their classrooms although they are still working on getting back into the swing of classroom procedures and learning. It is so wonderful to see the building so full! This year brought us up to two classrooms through the fifth grade, in just three more years the building will have two classrooms for Kindergarten through Eighth grade. Another great milestone that is a testament to all you do for us. The cover article spoke to the next one hundred years and our commitment to the students of three schools that now make up the CUES School System. As I work with others in development and fundraising we have a lofty goal to reach over the next few years. I want to let you know about a couple of things that will change over this school year. First, you will continue to receive four newsletters per year, two of the newsletters will come from the CUES Fund and have information for all three schools; the other two editions will be The Rambler. We want you to be aware of all of the great work happening for all of the children in all three of the schools of the CUES School System. The next change will be the look of the Annual Fund materials that will come to you this fall. This is one of the areas that we felt strongly that we could combine our efforts. The Annual Fund is the mainstay of the budgets for all three schools; we know that you may want to direct your gift to Holy Name so be assured that you will be able to designate your gift to Holy Name School, as others may want to designate to Sacred Heart or All Saints Schools. It is our faith and commitment to tradition and excellence that leads us into the future. God Bless each of you and your families.

Celebrating the Founders of Holy Name School

In 1918 the Redemptorist Pastor of Holy Name Parish reached out to the Servants of Mary in Cherokee Iowa to bring their compassionate presence to Omaha Nebraska and start Holy Name School. The Servants of Mary arrived in Omaha on August 29th, 1918. They started school with 28 students on Monday, September 3rd, 1918.

We celebrated the great sacrifice the Servants made for all of us on Wednesday, August 29th, 2018 with a special School Mass at 8:30 am. We offer prayers and thanks for the work the Sisters have provided for all of us for these 100 years. The Archbishop presided and spoke to the children about pride in their school, learning about sacrifice and sharing.

Dancing Classrooms

For a number of years the fifth grade students have been part of a program known as Dancing Classrooms. The students are taught the “art” of Ballroom Dancing, Waltz, Rumba and much more. The picture is from the night of their final performance. As you can see they take their dancing seriously!

Congrats Willa!

The 2018 Eighth Grade class gathered many accolades as they moved on to high school. We are so proud to announce that Willa Tokporo received the Sarah Erftmier Scholarship which provides funding for four years to attend Duchesne Academy of the Sacred Heart in Omaha. Way to go Willa!

2018 Family Funds for the Education Endowment

Each year in May, we celebrate the families who have supported the education endowment through their family funds. Today there are sixty-eight family funds held within the endowment. The interest from this sacrificial giving allows for a scholarship for 68 students in 2nd to 7th grade at Holy Name School. Thank you for your continued support of the children and our future!

ALUMNI NEWS

The Class of 1973 celebrates 45 Years!

The Class of 1968 celebrates 50 years!

The 1978 fortieth class reunion was a huge success due to everyone that attended from near and far, and to everyone that helped pull it together. A lot of friendships were renewed, the weather was perfect and a great time was had by all on June 8th, at the home of Marg (Nordell) and Rodney Williams home. On Saturday, June 9th, following Mass, Mr. Carl Wirth graciously agreed to come to our class room at the 100 year celebration party at Holy Name School. Thank you Mr. Wirth; we loved our reunion with you. The Class of 1978 is truly blessed!

50th Reunion of the 8th Grade class of 1968
100 Year celebrations bring about many other types of reunions. The 8th grade class of 1968 celebrated their 50th reunion of their eighth grade year. They had a wonderful time on Sunday, June 10th at a luncheon at the Livestock Exchange Building.

Sister of Holy Name Alumni becomes the first woman to swim the 21 Mile St. Lucia Channel.

On Wednesday, May 16, 52-year-old Molly Nance, a Nebraska native, set out to be the first woman to successfully swim across the St Lucia Channel to a small beach in Saint Anne's, Martinique. Nance had planned an English Channel attempt in 2014, but had to cancel due to illness. Nance climbed out of the boat at around 4:38 AM and swam to shore with a kayaker accompanying. Five minutes later, the Captain sounded his boat's horn and the swim began. Nance's support team consisted of her husband, Paul, and few others. As the sun rose, both islands could be seen in either direction. Nance had covered about half of the channel's distance around midday. At 6:39pm, after 13 hours 56 minutes, Nance reached a small beach just west of Anse Meunier, Martinique. Congratulations Molly! Girls Rock! Molly is the sister of +Wayne H69, Steve H71, Maureen H72, David GF70, +John GF73, and +Martin.

So sorry, the picture that we thought was Bill Konnath H58 that was included in the last issue of the Rambler was actually our Holy Name friend, Hugh Spellman! Will the REAL Bill Konnath please stand up! Bill Konnath H58 Retires! January of 2016 was a great month for Bill! After 10 years as the Business Manager for St Joseph Church and School in Des Moines, Iowa, he is off to do all those things he really loves! One of these great loves is music! Bill is a long time member of the Ankeny Community Chorus and performs with the group in the Bass/Baritone section. Congratulations Bill!

Last March at The Gathering event for the CUES schools; Sacred Heart, All Saints and Holy Name the theme was I Can Be, I Will Be, Watch Me! The theme captured what we all know to be true and that is the graduates of our schools go on to do great things. Three Holy Name School alumni were highlighted at the event: Niel Peterson G05, Katie Bradley Waldo G99 and Brian Branigan H79. A big shout out to these three alum for the fantastic job they did representing the best of the best of Holy Name School.

These boys were some awesome football players! + Wayne Mattas H69 and John Wingender H68 were notable half backs for the Rambler football team. Glory days!

Dianne Bennie Evans H75

I am happily married to Jim Evans H75 for 42 years this coming October. We have four children, all college graduates, married and with careers. Jim and I have fifteen grand children. We feel truly blessed!
